In 2012, Revesby P.S. Kindergarten will continue an innovative approach to lesson instruction through the Best Start Program and the integration of new technology. Some of the benefits include:

- Extensive orientation program, over 4 weeks, to ensure a smooth transition for students into kindergarten. This program incorporates a Year 6 buddy system to support kindy students.
- Interactive whiteboards in classrooms
- Small group instruction in literacy and numeracy
- Support teachers assisting with individualised programs
- Highly motivating resources for hands on interaction in developing literacy and numeracy skills
- Enthusiastic, experienced and caring teachers
- Integrated Kindy and Year 1 sport
- Parent involvement welcomed and encouraged within classroom setting

Revesby Public school provides a safe and caring environment for all students:

- Modern, spacious classrooms with wet areas
- Separate playroom for Developmental Play
- Resourced Computer Lab and Library
- Computers and laptops utilised within the classroom
- New toilet blocks
- Playground equipment
- Fully air-conditioned and heated classrooms
- Before and after school care available
